Transforming Pathology Workshop: Welcome

Prepared by the Strategic Projects Team, NHS EoE
Not to be reproduced without permission.

Welcome

Andrew MacPherson

Director of Strategic Projects

Strategic Projects Team, NHS East of England

Some of the aims of the day

- Look forward, not back
- Present the challenges facing pathology services
- Develop a framework for what 'good' pathology services look like in the region
- Start to develop a common vision for future models of delivery
- Provide a forum for local pathology leaders to drive future service changes
- Work together!
